Subject:— Notifications under the Bombay Nursing Homes Registration Act 1949

File No. Nursing Homes Regis. II/52 (N)

Gen. 194 e.

240-B

Legal Department.

It is observed from the draft Government Resolution at page 19 of the correspondence section that the said Government Resolution is being addressed to all Collectors (with spare copies for distribution to Municipalities) intending thereby that all such municipalities should adopt the by-laws. Under sub-section (2) of section 1 of the Act, however, the remaining provisions of the Act extend in the first instance to the Greater Bombay and the areas within the limits of the municipal boroughs of Ahmedabad, Poona City, Poona Suburbah and Sholapur. The power is, however, taken under that sub-section to extend the Act to any other area specified in the notification. The Local Self Government and Public Health Department should therefore consider whether it is necessary to supply model by-laws to all municipalities at this stage.
